level. The Court said, fool, we told you when you was missing with Adam Clayton Powell. So Julian got his seat. Make me a member of the trinity. What did Faust, to say, "Heien, make me a mortal with a kiss." Immortalize me in your rules, make me a martyr, give me something to go home and boast about and to use to taunt with the rest of the session. My motion would be to reconsider the last vote which was taken, and that vote was to reject my bracket motion. If this motion that I have now is voted up, we will then vote again on my motion to bracket, and we can be out of this thicket.

SENATOR CROSBY: Thank you, Senator Chambers. You've heard the closing. The question is...there's a request for the call of the house. All in favor vote aye, opposed no. Record, please.

CLERK: 16 ayes, 2 nays, to place the house under call.

SENATOR CROSBY: The house is under call. Would all senators please record your presence? Would all unexcused senators please return to the chamber and record your presence? Would all unauthorized personnel please leave the floor? Senator Kiel, Senator Willhoft. Senator Robinson, would you like to record? We've had a request for a recall...recall...roll call vote in reverse order. The question is the reconsideration of the bracket motion. All those in favor vote aye, opposed no. Mr. Clerk, would you please call the roll in reverse order? I think we should keep the noise down on the floor. It's getting a little hard to hear.

CLERK: (Roll call vote taken. See page 302 of the Legislative Journal.) 4 ayes, 29 nays, Madam President, on the motion to reconsider.

SENATOR CROSBY: The motion fails. I will raise the call. Mr. Clerk, do you need time for items or anything?

CLERK: Yes, I do, Madam President, thank you. New bills. (Read LB 1169-1174 by title for the first time.) I also have a hearing notice, Madam President, from the Natural Resources Committee. That's all that I have. (See pages 302-04 of the Legislative Journal.)
